January, 2006

Dear Supporter

I'm writing to thank you for your support in 2006 and to inform you of a range of ways that you can be part of mission in 2007.

New Year, New Work, Same God

As New Year is upon us we thank God for all He has achieved in 2006. In South-to-South projects, people from the global south take God's Word to another place in the south - Benoit from south Togo is working in north Togo alongside mission partners Sena and Jane Ounate-Lare. It's a new way of telling people about the same things: the justice, love, kindness and faithfulness of God the Father, Son and Holy Spirit.

New Year's Resolution

New Year is not a Christian festival, but it is a marker that reminds us of what we have done or *meant* to do in the previous year. If your resolution is to pray more, to support mission more or to support particular mission partners more then we are here to give you opportunities!

This letter provides a huge number of ways to get involved. Perhaps there is one that sticks out for you? Perhaps there is something that you could pass to a friend or to a Sunday School leader? We know that Jesus said: 'go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you...' (Matthew 28: 19-20). We pray that as well as the work you do in your home town you will find Crosslinks a useful tool in helping you to make disciples of all nations.

Finally, if you have recently written to Crosslinks we may still be processing your letter in this busy period. We pray that this letter will not offend but encourage you with news of all that we have to thank God. We are glad to remember that Jesus promised: '...And surely I am with you always, to the very end of the age' (Matthew 28:20). Praise God!

Yes! I am resolved to help in 2007!

Please see the coloured sheet for how you can get involved and use this slip to respond by circling those things that you are interested in. The initials help us to process the form.

Please send me...
